WHO WE ARE

A CONDIMENT MANUFACTURER WITH AN ANNUAL SALES OF **OVER 3.4 BILLION USD**

Haday is a leading company in the Chinese condiment industry which supplies various delicacies to its consumers. For the past 300 years, we have been immersing ourselves in this "sunshine" business and producing hundreds of high-quality and delicious products, covering series of soy sauces, oyster sauces, dressing sauces, vinegars, cooking wines, soybean sauces, chicken extracts, chicken powders and fermented bean curds.

With the mission of "developing a career in flavoring industry and creating a perfect life", we have always been committed to inheriting the traditional brewing process and innovating the production process with modern technologies. Our products are safe, delicious, and high-quality, not only are they the best sellers in the domestic market, but they also are exported to over 80 countries and regions around the world.

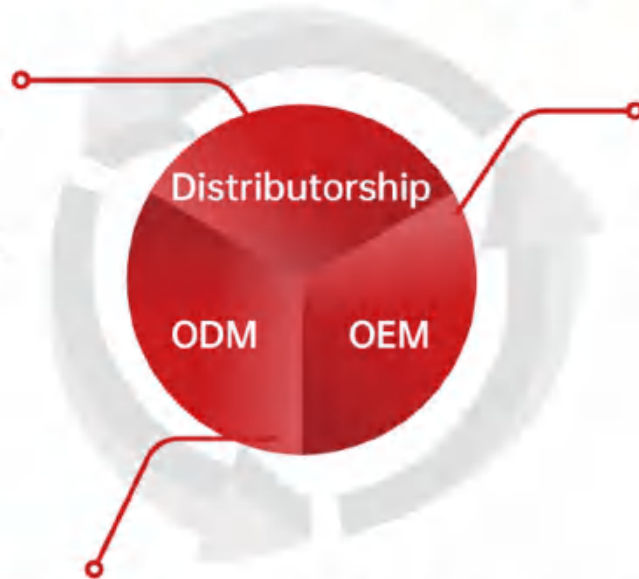

Meet customized product needs

Providing a full-link customization service for product development

Types of business collaboration

Sells products under the Haday brand: More than 70 products to choose from, providing multiple supports such as marketing, logistics, and sales channel expansion;

Sells products under the client's brand or no brands: Flexible to modify and develop products under the given specifications.

Sells products under the client's brand or no brands: Private labeled or white labeled products with modification of branding, packaging sizes, or label designs.

OEM/ODM cooperation

An ultimate user-centered supply chain

We share our stories of delicacies with billions of consumers
